The name we chose for our kennel, "Regalo", means gift in Spanish. We chose that because we believe that God sent us Wizard to replace our first Aussie, Foster, who we lost at a young age. What a gift Wiz proved to be – at once a cherished friend, companion and beloved family member. His accomplishments in the conformation ring, on the agility field and as a sire set him apart as a great example of the breed. We discovered at some point that we were living with a "Rock Star" as he was much more famous than we were!

Goodbye big guy – We'll miss you forever but know we will see you again -
Kathy, Ben and Robbie
